

# Keyless Entry Keypad...

*A Convenient  
Way to Unlock  
Your Vehicle*

## **No Keys? No Worries!**

The Keyless Entry Keypad allows you to unlock your vehicle without your keys or key fob transmitter!

For those times when you simply don't want to carry your keys...like at the gym...or at the softball game...or on your company canoe trip...or even just juggling an armful of groceries in the rain with your keys buried somewhere in the bottom of your purse...simply punch in your code and your doors unlock!

## **Features and Benefits**

- Universal – For most Ford, Lincoln and Mercury vehicles equipped with factory remote keyless entry
- Convenient – No more lock-outs
- Wireless – Tunes to the same frequency as your key fob transmitter, no wiring necessary
- Easy Installation – No drilling required
- Long Life Battery – Lasts 100,000 cycles or more
- Back-lit – Lights at night, not during the day
- Programmable – Set or change your own access code

## **Designed and Engineered by Ford**

- Tested to the same high standards you've come to expect from Ford Motor Company products
- The Keypad mirrors most of the functions of your key fob transmitter
- Designed specifically to work only with Ford Motor Company radio frequency protocols
